

# Tax Year 2010 System Selection and Pricing Information:

## Which IRS Reporter best suits your needs?

**Single User System:** Single PC or Network / Workstation

**Multi User System:** Network / Workstation (multiple workstations)

**Regular System** – Allows you 100 separate Payers\*

**Plus System** – Allows you 1,000 Payers (customization is available)\*

**Extended System** - expands the Plus System's capabilities. Contact DSD for details\*

\* Unlimited recipient returns for each Return & Type (Original, Corrected, & New/Next Tax Year)

### Renewal Fees include:

- New REPORTER System with conversion of 4 years of historic data to current Tax Year formats
- Amendments / updates to the software which are released during the support period
- Unlimited phone and e-mail support during the support period

### Support Period extends to the last date the IRS accepts a Tax Year's Electronic Formats

Renewal Fees are invoiced in the 2<sup>nd</sup> quarter of the New Tax Reporting Year

Renewal Fees are not discounted and may be priced differently if invoiced through a distributor

Upgrading an existing system i.e. Single Workstation to Multi-User Workstations - a credit for the originally licensed system is applied at the current listed price against the license fee of the larger system.
